

We Need Volunteers for New Research

Starting November 2009

Can you help?

We are looking for volunteers who meet the following criteria;

Aged between 18 – 65 years.

Not Pregnant or Breast Feeding.

Clinically diagnosed with a B12 deficiency and the cause established.

Having Hydroxocobalamin injections, but still feel symptomatic. (feel the need for more frequent injections).

Happy to travel to Bedford and have 2 blood tests.

If you feel you meet the basic criteria above and would like to take part in research then please fill out the form attached. (please click on the button below and complete form) (please return printed form to
